

Hey everyone - got some bonus content for you today.

Zach, Anya, Ian and I sat down to record a commentary track for Book 1 Chapter 5, which came out all the way back in 2014. It was really fun to do and we hope you enjoy our...insights such as they are as well. This was a milestone goal that we promised on Patreon for reaching \$650 per month, so thank you so much to everyone who helped us get there.

If you're not already a Patron and you like what you hear, we've promised another commentary track if we get to \$850 per month in addition to a bunch of other rewards that you'll get for supporting us. You can sign up at Patreon.com/onceandfuturenerd.

I also want to tell you about Tab for a Cause. Tab for a Cause is a browser extension that lets you raise money for charity while doing your thing online. Whenever you open a new tab, you'll see a beautiful photo and a small ad. And then part of the money raised by that ad goes towards a charity of your choice! You can join our Tab for a Cause team by signing up at tabforacause.org/toafn.

This commentary track is going to be the last thing we release in 2022, but we will be back on January 29 for the premiere of Book 2 Chapter 9. In the meantime, everyone here at The Once And Future Nerd would like to wish you and your loved ones a wonderful holiday season and a happy new year. Enjoy the bonus content and I will talk to you again in 2023!
