

Hello and welcome back!

Today's episode is brought to you by Tab for a Cause. Tab for a Cause is a browser extension that lets you raise money for charity just by doing whatever you normally do online. And hey that's your business. Tab for a Cause's business involves showing you a pretty picture and a small ad whenever you open a new tab. And then part of the money from that ad goes towards a charity of your choice.

You can join our team and help support a charity of your choice and help support us by signing up at tabforacause.org/toafn. That's tabforacause.org/toafn.

As always I want to take a moment to acknowledge our Patrons on Patreon for making this show possible. In particular this week, shout outs to Melody G, Jesse H, and Vilna T.

I also had one show-related announcement before we get into the episode. Before we started making this chapter, we said goodbye to Juliet Prather, who's played Gwen and Ry'y lo-Th'yyt for several years but had to leave us for scheduling reasons. We're sad to see her go of course but we wish her the best. The silver lining though is that now I get the pleasure of introducing you to Ana O'Daniel, who joined the cast to take over those roles as well as some new characters you're yet to meet. Ana is a wonderful performer and I know you're gonna love their work as much as I have.

With that said, on to the episode! Today's is the penultimate episode of Chapter 8, and then we'll be back for the finale of Chapter 8 on September 25. Thanks for listening and I'll talk to you then!
