

Hey everybody! Welcome back to THE ONCE AND FUTURE NERD. Got a new episode for you today, as we've had on the last Sunday of every month for the last year and change remarkably. But before that I want to take a moment to acknowledge that there is no universe in which we could make that happen without the ongoing support of our Patrons over at Patreon.

So if you like this show and you like a consistent release schedule and you have a few bucks you can afford to throw our way, please head over to [patreon.com/onceandfuturenerd](https://patreon.com/onceandfuturenerd) and check out some of the rewards you can get by becoming a Patron.

You can hear episodes without commercial announcements like this one, you can read full chapter scripts at the start of each chapter, download full chapter audio at the end of each chapter, there's exclusive artwork and stickers and posters, and you can get a shout-out by name at the start of an episode.

This month I want to give exactly that kind of shout-out to Nick L and Matt S. Thank you both for your support!

Ok, that's all I've got today. I'll talk to you again on March 26. Enjoy the episode!
