

Hello everyone and welcome back! We've got a new episode for you today. But first!

I want to tell you about Shaker & Spoon. Shaker & Spoon is a subscription cocktail service that helps you learn how to make hand-crafted cocktails right at home. And who doesn't love learning new skills while getting their friends...you know, classy-tipsy.

Every box comes with enough ingredients to make 3 different fancy cocktail recipes. All you need to do is buy one bottle of that month's spirit, and you have all you need to make 12 drinks at home! At just \$40-50 per month, plus the cost of the bottle, Shaker & Spoon is a super cost-effective way to enjoy craft cocktails. And you can skip or cancel boxes any time.

Our listeners can get \$20 off their first box at shakerandspoon.com/toafn. That's shakerandspoon.com/toafn. Also...

I need to shout out our Patrons on Patreon who make this show possible. In particular today, gratitude goes out to Maria D and James R. Thank you for your support, we couldn't do what we do without you.

If you'd like to become a Patron, head to [Patreon dot com slash once and future nerd](https://patreon.com/onceandfuturenerd) where you can get cool supporter rewards, like ad free episodes, stickers, posters, and more!

This chapter is a five-parter so we've got one more episode after this one. That'll be out on May 28th. I'll talk to you then, and in the meantime - enjoy the show!
