

Hello hello, and welcome to the conclusion of Book 2 Chapter 9. We hope you've enjoyed listening to this chapter as much as we enjoyed making it. But those of you who've been with us for a while, you know what a chapter finale means.

It's time again to Ask The Once And Future Nerd. We'll be doing a YouTube livestream, date and time T.B.A. where we answer your questions. If you want to submit a question, you can post it on Instagram, Twitter, Facebook, or Tumblr with the hashtag #AskTOAFN. Or DM us on Patreon if you're a Patron. Just make sure to get those questions in by 11:59pm Eastern Time on June 2nd. Again that's hashtag #AskTOAFN on Instagram, Twitter, Facebook or Tumblr. And then be sure to follow those channels so you can see when we're doing the stream.

As always, I want to thank our Patrons on Patreon who make this show possible. This month, Lisa F and Jesse H win the shout out lotto - thank you both for your support! And as a reminder, \$12/month and up Patrons get their questions prioritized for Ask The Once and Future Nerd and they get the full chapters cut together at the end of each one.

Finally, one last heads up, there's probably going to be a bit of a break between Chapter 9 and Chapter 10. We're still figuring out the schedule - if it looks like it's gonna be more than a month or two we will pause our Patreon during that time and then start it up again as the release draws near. So stay tuned for announcements about that.

I'll talk to you again when we release our Q&A, and in the meantime, enjoy the conclusion of Book 2 Chapter 9!
